CCMR

A screenshot of the PayPal Guest Checkout page. The page features the PayPal logo and a shopping cart icon with a total of \$710.00 USD. The main heading is "PayPal Guest Checkout" with a sub-message: "We don't share your financial details with the merchant." To the right, there is a graphic of shopping bags with a shield, and the text: "PayPal is the safer, easier way to pay. No matter where you shop, we keep your financial information secure." The form includes a country dropdown menu (set to United States), a card type selection (VISA, DISCOVER, MASTERCARD), and input fields for card number, expiration date, CSC, first name, and last name. Below these are fields for billing address: street address, apartment/suite/building, city, state, and ZIP code. A checkbox for "Ship to my billing address" is checked. The contact information section includes a phone type dropdown (set to Mobile), a phone number field (+1), and an email field with a help icon. A prominent blue "Pay Now" button is at the bottom. At the very bottom of the page, there are links for Policies, Terms, Privacy, Feedback, and a copyright notice for 1999-2017.

4. If successful, a confirm page with the total amount will appear and an email invoice will be sent to your email.

Name and email address for the payment

* Please use the **same name and email address** that are registered with the CCMR office if possible. **If must use a different name and email address**, please notify CCMR fee office (cc3dmr.payment@gmail.com) by forwarding the PayPal receipt with the beneficiary information (name, email and institution).

Question or inquiry regarding payment

* Any **question or inquiry about the registration payment or any trouble with the payment** should be directed to the CCMR fee office (cc3dmr.payment@gmail.com).

* The payment link generally works well. However, **few people experience that the PayPal would not accept their credit cards** once the wrong information is supplied. Normally, it will work after some hours or in the next day, which appears to be a security purpose. Alternatively, **try to use another web browser, i.e. Chrome or Firefox, or update the web browser if using an old version.** If the issue is persistent, please contact the CCMR fee office (cc3dmr.payment@gmail.com) with the issue description.
